NEW JERSEY STATE BOARD  
OF MEDICAL EXAMINERS

STATE OF NEW JERSEY  
DEPARTMENT OF LAW & PUBLIC SAFETY  
DIVISION OF CONSUMER AFFAIRS  
STATE BOARD OF MEDICAL EXAMINERS

In the Matter of:

WILLIAM T. KELLOGG, M.D.

ORDER REINSTATING **LICENSURE**  
WITHOUT RESTRICTIONS

This matter was reopened before the New Jersey State Board of Medical Examiners (the "Board") upon the Board's receipt of a petition from respondent William T. Kellogg, M.D., dated December 20, 2002, for removal of conditions that had been placed upon his license by operation of an Order of this Board entered on October 24, 2001. Pursuant to our prior Order of October 24, 2001, respondent's license to practice medicine and surgery in New Jersey had been reinstated, subject to his compliance with specified conditions to include a condition that he complete the follow-up phase of a documentation seminar offered by the Colorado Personalized Education for Physicians' Program ("CPEP") {which seminar respondent had commenced participation in prior to entry of our order by attending the didactic portion of the seminar} and that he make certain patient records available for inspection and review by the Board. The Board received a final report from CPEP dated June 24, 2002, demonstrating that respondent did comply with

the requirement that he **complete** the follow-up phase of the CPEP **documentation** seminar.

The Board being satisfied that **respondent** has complied with **the** conditions **imposed upon** him in **our** prior Order of October 24, 2001, and **being** satisfied **that** good cause presently exists to discontinue further conditions and to presently reinstate respondent's **license** without **restriction**:

IT IS on this 15<sup>th</sup> day of January, 2003

ORDERED:

The **license** of **respondent** William T. Kellogg, M.D., to practice medicine and **surgery** in the State of New Jersey is hereby deemed to be unrestricted.
